## Background

- *Our story, our future* is the Queensland Government's multicultural policy promoting an inclusive, harmonious and united community for Queensland.
- The policy focuses Queensland Government action on three policy priorities for culturally diverse communities and Queensland as a whole – (1) achieving culturally responsive government, (2) supporting inclusive, harmonious and united communities and (3) improving economic opportunities.
- The policy is being implemented through a three year Queensland Multicultural Action Plan 2016-17 – 2018-19.
- The policy and action plan are a requirement of the *Multicultural Recognition Act 2016* (the Act) and represent one of three key provisions of the Act, together with establishing the Multicultural Queensland Charter and Multicultural Queensland Advisory Council.
- Section 24 of the Act requires entities with actions in the action plan to report publicly on an annual basis. The attached report fulfils this requirement for 2017-18 for the **Department of Justice and Attorney-General (DJAG)**.
